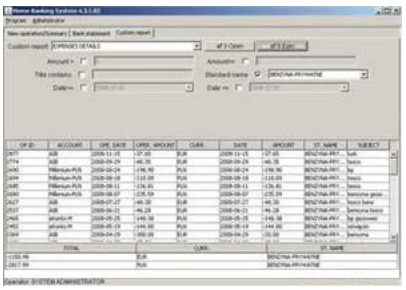
If your HR Solution looks like this…

Or even this…

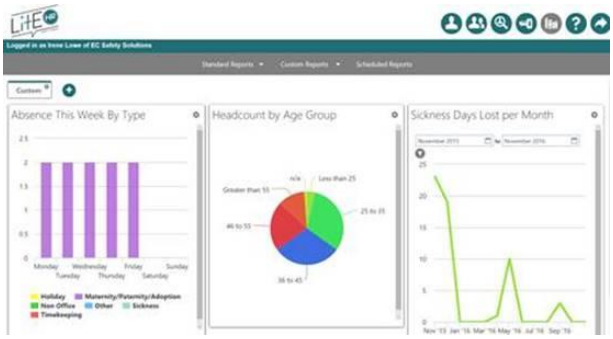


Or worse still…

Impossible to Manage Data, Produce Reports or Track Absence?

No Workflow, Self Service, Organisation Charts or Document Management?

Then you may well need this…



LitE HR is here to solve your problems - a Local Company for Local Business

No IT requirement – we look after that for you

Implemented in Days instead of weeks

Aimed at SME businesses

Highly Cost Effective
starting at as little as £625 per year for a 100 employee company
(which is probably less than you spend on paper!)
