Group

The Beast

Friday 26th May

The ultimate bouncy castle experience for adults is coming to Deal. At 272m The Beast is the world's largest inflatable obstacle course.

Bounce for fun, break into small teams and help each other through or, if you can't tame your competitive side, power on through and see if anyone can beat the course record.

The fun doesn't stop once you've crossed the finish line. With your endorphins running high, you're bound to be hungry and thirsty. Sit back and relax in the pop-up bar and chill out area.

Corporate & VIP packages from £30 per person **exclusive 25% discount** for Chamber members (normal price £40) — please quote Invicta

Packages include unlimited access to The Beast and other inflatables, including The Coconut and The Sniper, for 1 hour. Each team member will receive a free mocktail plus an 'I conquered The Beast at Betteshanger' t-shirt.
