A **SQUATTER** IS A PARTY WHO **ENTERS ONTO, OR REMAINS ON, A PROPERTY WITHOUT LAWFUL AUTHORITY OR PERMISSION** FROM THE PARTY WITH AN IMMEDIATE RIGHT OF OCCUPATION.

**Nationwide coverage**  
throughout England  
& Wales

**30+ years**  
experience  
in the industry

If someone has broken into and are occupying a vacant property and begins living there, you may be in need of our squatter eviction service. Squatters occupying your property or land could cause grief and have a detrimental effect to your business, such as missing out on rental payments and property damage. The quicker you can evict squatters, the better.

By instructing ERT, you are employing a trusted eviction team with an incredibly high success rate with over 30+ years' experience in the industry. We are market leaders and a well-established company and have handled a wide variety of cases, from single squatters to highly televised operations.

We ensure that our squatter evictions are carried out quickly, efficiently and professionally. As a landlord, you have legal rights to remove squatters in residency and our approachable ERT team are here to help you.
