

THINKING BUSINESS

Thinking Business

Thinking Business is the magazine for the Kent Invicta Chamber of Commerce business community.

Produced on behalf of the Chamber by Benham Publishing, the magazine is a compact A4 (270mm x 210mm) 52 page full colour premium quality publication, dedicated to providing its readers with a combination of must-read news, regular features, and essential information which will help drive their businesses forward.

It is the only magazine produced by the Chamber for members and the surrounding business community across Kent and the South East region and makes essential reading for business decision makers.

One of the aims of this publication is to provide unparalleled opportunities to help members and regional businesses increase their awareness of crucial business issues paramount to success and communicate with each other on a regular basis.

Produced bi monthly (6 issues per annum) the magazine is mailed to all Chamber members and associated organisations at senior management level with a readership of 12,500, keeping those responsible for making the decisions on the appointment of suppliers of products and services informed of the latest developments within the region's business community. Thinking Business provides an ideal platform to reach key decision makers in this vibrant business region – there is no more highly targeted platform for businesses to promote their products and services to a highly influential audience.

Whatever your business specialism Thinking Business leads the way in reaching all kinds of organisations from multi-nationals to sole traders and helps businesses grow by sharing knowledge and solutions.
