

Request for expressions of interest to participate in early market engagement for:

Construction Design Services Frameworks

London Gatwick Airport Limited (GAL) has a forthcoming requirement to refresh its Design Framework Agreements. This encompasses civil and structural engineering, architectural, mechanical engineering, fire engineering and baggage design. GAL is seeking to engage with suppliers from across the market, typically involved in the design of construction projects in the Aviation sector.

GAL wishes to undertake early market engagement with the supply chain to shape the procurement and raise awareness of the upcoming competition. For further information on the engagement activities refer to “Additional Information” below.

Description of the procurement

London Gatwick Airport Limited operates the busiest single runway airport in the world, the second largest airport in the UK and the tenth busiest international airport globally. The scope of airport operations is broad, covering all aspects of airfield, terminal, passenger, and baggage management, as well as administering the property and retail business. As such, the airport collaborates closely with various stakeholders, including but not limited to airlines, the UK Civil Aviation Authority, retailers, public advisory groups, and public transport operators, to ensure a seamless experience for our customers.

The **New Design Framework Agreement** will seek interest from suppliers from across multiple Design fields including Multi – Disciplinary Design Services, Fire Engineering, Architectural Services, Airfield Design, Baggage Services, Integration Services. The Framework Agreements will be for a period of Four (4) years with an option to extend for a further Two (2) years.

Early Market Engagement Supplier Event

The Supplier Event will take place online via MS Teams Live on: **Wednesday 12th July 2023 from 11.30am**. A link to the event will be issued via email following registration (as below). Following the event a questionnaire will be issued to all participants to capture feedback and help instruct GAL’s strategy.

Registration

To express an interest in attendance at the supplier engagement event suppliers should complete all sections of the MS Forms link available [here](#), or [follow the QR code below](#).

Following registration, confirmation and details of the event with a link to attend will be shared via e-mail. Information captured in the registration form will be used by GAL for engagement and planning purposes.

Please ensure you have submitted your registration no later than Friday 30th June 2023.

LONDON GATWICK

Additional information

GAL wishes to undertake early market engagement with the supply chain, prior to the commencement of competition. The early market engagement will raise awareness of GAL's long and short-term aspirations and enable the market to consider how they might participate.

GAL will seek feedback from the supply chain through the early market engagement supplier event alongside a questionnaire to be issued following the event.

An expression of interest to this early market engagement event (without call for competition) will not guarantee participation in a future procurement or market engagement activity. GAL will manage event registration processes with formal invitations, issued via e-mail, to the named contact listed in the returned MS Form.

Participation in market engagement events will not preclude, disadvantage, or advantage any supplier's ability to participate in future procurement activity. No information contained in this document or in any communication made between London Gatwick Airport Limited and any supplier in connection with this event shall be relied upon as constituting a contract, agreement, or representation that any contract shall be offered in accordance with this notice.

Suppliers that express interest in this notice and are unable to participate in the market engagement event, will be provided with summary information following the event.

For further information on the Supplier Event please contact us via the email address below:
supplychain@Gatwickairport.com

Estimated date of publication of contract notice: September 2023
